

WI Series Wall Cabinets

Dimensions 600 (w) x 600 (d) Height 7 to 21U

Infinique wall mounted network cabinet are assembled single section cabinets which comes with all the accessories for ease of installation. It offers reliability and helps to organize and secure EIA 19-inch standard rack-mount devices and networking equipment. Comes with built-in fans with temperature control and flow-through ventilation that keeps equipment safe from overheating.

These cabinets are easy to install and ideal for indoor environments and are available in 7U, 9U, 12U, 15U, 16U, 20U and 21U sizes.

These cabinets are constructed from heavy-duty cold-rolled steel for durability with a welded frame structure and have front, rear and side inner panels that offers protection from moisture, temperature and freezing. The internal adjustable mounting rails with RU markings and cage nut style come

with security locks to safeguard the equipment. Slide-able cable entries are situated in the upper and lower base of the cabinet which can be fitted with the right size grommet. They are available in Black (RAL 9005) and Light Gray (RAL 7035) colors. The indoor cabinet can be used for applications such as traffic control, broadcast equipment, wireless networks and CCTV while maintaining the right operating temperature and protecting the equipment.
